**COMPANY
PROFILE**

1. COMPANY BACKGROUND

Established in 2016, Namibian owned and trusted supplier of various healthcare and safety services and products that are tailored towards our clients needs and requirement. We pride ourselves by providing accessible, efficient, cost effective services that are aimed at improving the general quality of life while contributing to the economic development of our nation.

OUR VISION

Our mission is to improve the quality of life by offering exceptional healthcare services to the community while paving the way for the foundation for continuous development. To fulfill the expectation of our customers by being adaptive innovative and meticulously proactive.

OUR MISSION

Managing our business with high level of commitment, integrity and ethical standards. Improves experience of healthcare professionals, through providing state of art medical technologies and offering constant clinical support and education.

DR MARTHA SHIYANGA

14DCNM-UNAM, MBCHB-UA,
DIPLOMA IN OCCUPATION MEDICINE-RCPI

ABOUT FOUNDER

An experienced and qualified Medical Practitioner. She takes pride in providing the best medical care and services. It all started in the prime years of her medical profession when she has could not find the scrubs of her choice and she started to manufacture some for herself and through which birth Panmed.

The growth of Panmed is recognized and evident through her extraordinary commitment to a reputable Medical and Health Care Service Company.
